LETTER REQUESTING INITIALED PTO 1449 FORM

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

FEB 21 2007

Sir:

In reviewing the above-captioned application file, the undersigned has noted that even though the Examiner initialed the PTO Form 1449 filed on November 2, 2001, there is a line struck through the reference (under "Other Documents"), "Experimental Headache Models". This makes it unclear as to whether consideration was given or not.

The Patent and Trademark Office therefore is requested to return the initialed form without the strike-through line to the undersigned as soon as possible.

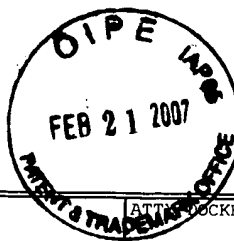

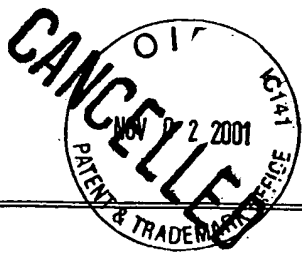

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §1.16 or under 37 C.F.R. §1.17; particularly, extension of time fees.

Respectfully submitted,
